

H841

Metallic bedside table with drawer, magazine rack, cupboard and overbed table.

Characteristics

With drawer, magazine rack and cupboard

Reversible model with a drawer and cupboard accessible from both sides so that the table can be placed on the right or left side of the bed according to every need.

Sliding drawer running smoothly along a double metal guide with nylon bearing and security stop, with pull handle.

Overbed table adjustable in height (700 - 960 mm) by means of a pneumatic progressive gas spring with a folding tabletop with dimensions 530 x 370 mm

Surface with perimetrical edge to prevent objects from falling or liquids from spilling, resistant to scratches, disinfectants and cleaning elements.

Structure and Finishings

Steel cabinet with anti-rust treatment, coated in oven-dried epoxy powder paint, color to choose, with a 90° opening hinged door, with magnetic closing system.

Upper board made of ABS plastic.

Accessories

Ø 50 mm double swiveling castors.
